

Prodigal Sons [Bb]

[Default Arrangement] by Scott Lavender

Verse 1:

Bb2 Bb
I was lost,
Far from home,
F4 F
You were seeking,
My heart of stone,
Eb2 Eb
Still I would thirst,
From dawn til dusk.
Bb2 Bb
You offered rain,
F4 F
But I wanted dust.

Verse 2:

Bb2 Bb
You were king,
Upon your throne,
F4 F
I was seeking
My own kingdom,
Eb2 Eb
I ruled and reigned
With my own plans,
Bb2 Bb
Yet found no joy,
F4 F
In the slums of man.

Chorus:

Bb2 **Eb2**
We were the prodigal sons
Bb
You are the Father of love
Bb2/Dm
You reach out your arms
Gm7
You're always enough
Eb2
We wandered alone
Bb
You welcome us home
Bb2/Dm
So lost in our shame
Eb2 Bb F
Now found in your grace.
Eb2 Bb F
Now found in your grace.

Prodigal Sons

Verse 3:

Bb2 Bb
You saw me

Coming home
F4 F
You were seeking

My heart of stone,
Eb2 Eb
You ran to me
Cm
And wiped my tears,
Gm
Called me your own,
Bb2/Dm
And you drew me near.

Bridge:

Cm **Bb** **F4 F**
Where would we be without your love?
Bb **Dm** **Eb**
Where would we be without your grace?
Cm **Bb** **F4 F**
Still wander - ing away from home,
Bb **Dm** **Eb**
Yet Father you've prepared a place.
