

Your Love Wins [A]

[Default Arrangement] by Scott Lavender

D A E F#m

Verse 1

Who will take us from
The love of Christ that stands so strong?
Not trouble or sorrows
Nor anguish or pain seen all night long

Pre-Chorus 1

You've set us free from the chains of sin
The weight has gone from the guilt within
We praise you Father for life
We're co-heirs with Christ

Chorus

For even if angels or demons try, they won't win
Neither the power of death nor life, have victory
Neither the measure of depth, nor height, or anything else,
For nothing can separate us from you,
Your love wins
Your love wins

Verse 2

When I am anxious
I know you're working for my good.
Through all my troubles
Shaping me more to be like you.
