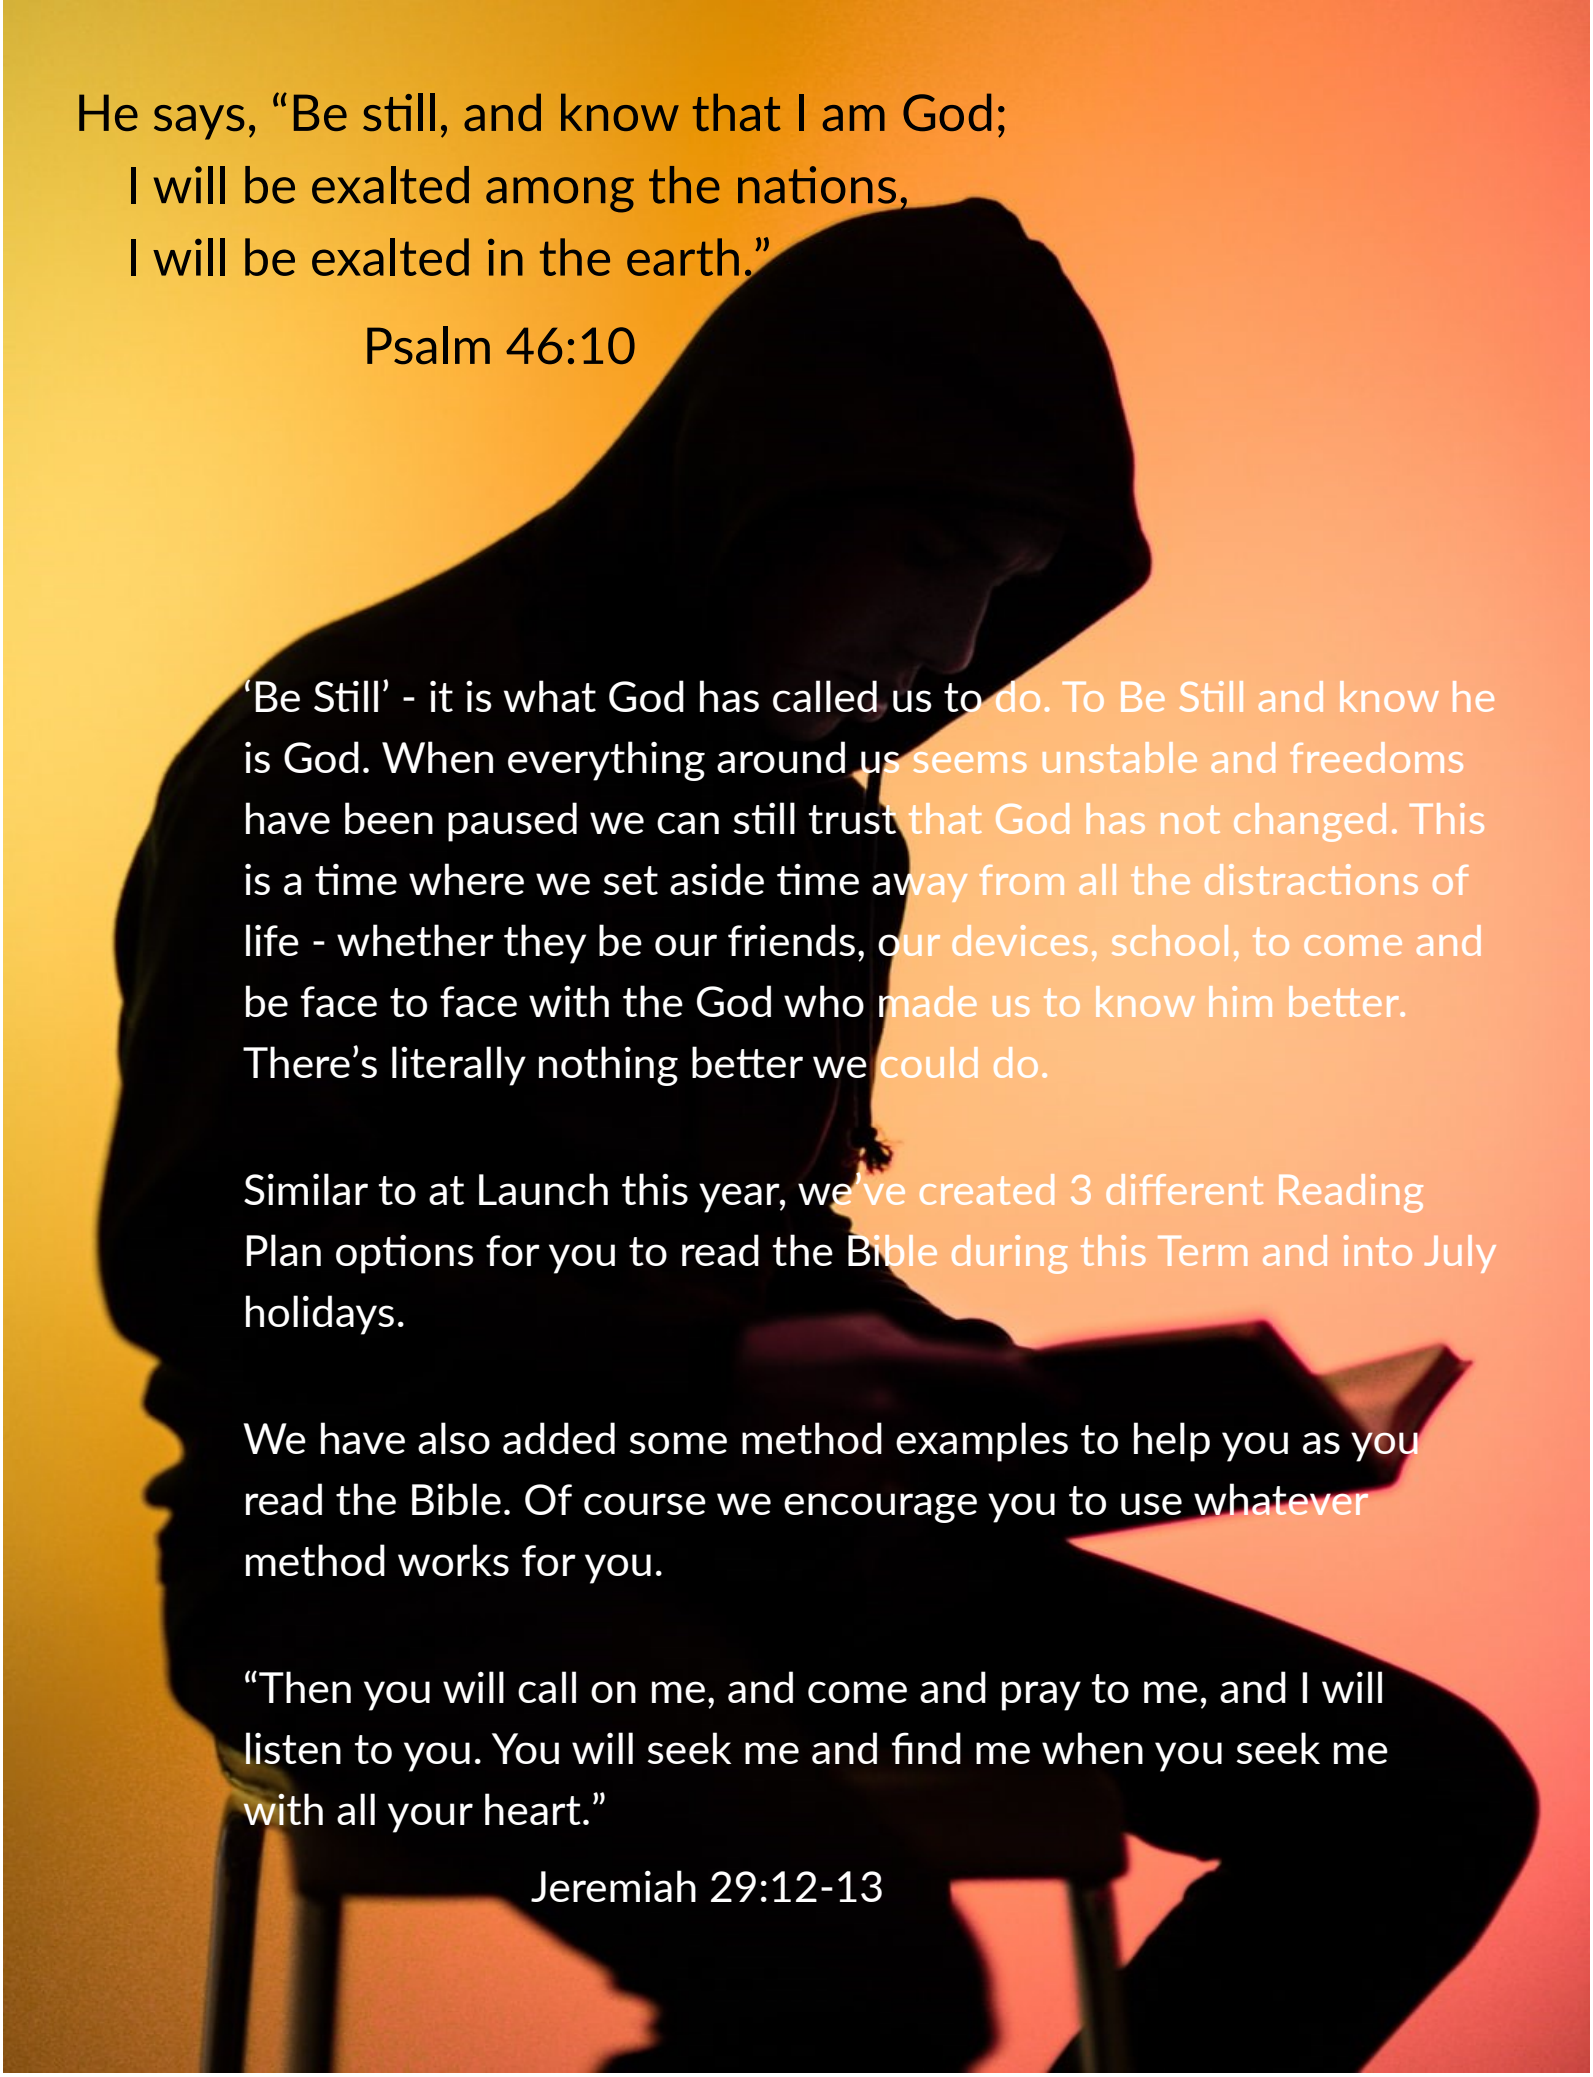
Term 2 2020



He says, “Be still, and know that I am God;
I will be exalted among the nations,
I will be exalted in the earth.”

Psalm 46:10

‘Be Still’ - it is what God has called us to do. To Be Still and know he is God. When everything around us seems unstable and freedoms have been paused we can still trust that God has not changed. This is a time where we set aside time away from all the distractions of life - whether they be our friends, our devices, school, to come and be face to face with the God who made us to know him better. There’s literally nothing better we could do.

Similar to at Launch this year, we’ve created 3 different Reading Plan options for you to read the Bible during this Term and into July holidays.

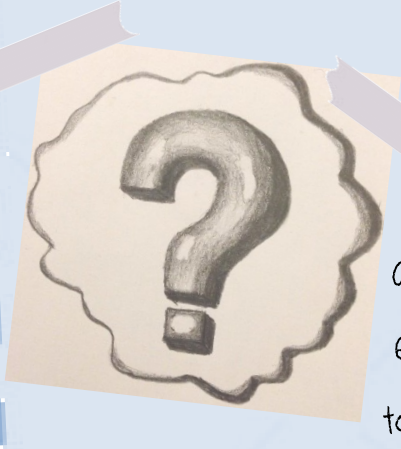
We have also added some method examples to help you as you read the Bible. Of course we encourage you to use whatever method works for you.

“Then you will call on me, and come and pray to me, and I will listen to you. You will seek me and find me when you seek me with all your heart.”

Jeremiah 29:12-13

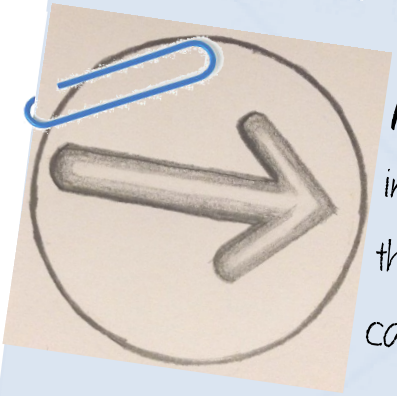
Swedish Method

Lightbulb: What stands out to me the most about this passage? Even if it is something I have read before, what shines when I read it this time? What new thing is God showing me?



Question Mark: Is there something that I didn't understand? A word, a verse, how it fits with other parts of the Bible or a theological point? Try to answer the question myself before asking someone else for help. God may be trying to reveal something to me. Stop, pray, search and ask.

Cross: How does Jesus fit into this passage? What in this passage has helped me to see more of Jesus and his cross? Was there something that drew me to love him more? Is there somewhere else in the Bible (Old Testament vs New Testament even) that I have seen this prophesied or referred to?



Arrow: Find and put into action something the Spirit has indicated for me to do, stop doing, or change in my life through reading this text. This is the application, something I can actually apply to my life this week myself.

Talking Bubble: Who can I share with about what I've learnt. It could be another Christian who can encourage me or keep me accountable or it could be someone who is not yet a Christian that I can share the gospel with. Actually write the persons name down and make sure it is someone who I can and will have contact with this week!

Pray Pray Pray: This is all about me communicating with God, me talking to him and then being still and listening to what he has to say to me. SO before, during and after each step I need to be praying (talking) to him as he guides me and helps me to read, understand and use his word.

2 Timothy 2:15 Do your best to present yourself to God as one approved, a workman who does not need to be ashamed and who correctly handles the word of truth.

2 Timothy 3:16-17 All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work.

HOBO Method

Hearts Open,

Bible Open

What do you like about this passage?

What would some people not like about this passage?

What do you learn about God?

What do you learn about people from this passage?

What will you take into your life starting today?

Who can you share this with this week?

Journaling your thoughts, discoveries, questions and prayers

This term we are encouraging you to use notebooks you may already own or a new one that you would like to pick out yourself that suits your own personality.

If you don't have one or can't buy a new one right now then just let your youth leader know. Alternately you can email us at mbmyouth@mbm.org.au and we will organise one for you.
